## Atlantic Canada Clinical Engineering Society Bursary Application

### **SECTION III – ADDITIONAL MATERIAL**

---

In addition to completing this application form, the applicant is required to provide the following mandatory items:

- Proof of enrolment in course or program
- Official transcripts from the last successful area of study (*postsecondary or high school*)
- One-page autobiography with a paragraph on why you deserve this bursary (*paragraph should describe any academic improvements and achievements, extra-curricular activities, community services, and financial need*)

The applicant is also encouraged to provide the following optional items:

- Resume or work history
- Letter of reference on *academic performance* from a current or past professor or teacher
- Letter of reference on *work performance* from a current or former employer

### **SECTION IV – SIGNATURE**

---

*I agree that all information provided in this application form – and in all additional materials – is accurate and exact to the best of my knowledge. I understand that ACCES reserves the right to verify the information provided in regards to my relationship to an ACCES member (if applicable), work history, transcripts, proof of enrolment in a program or course, and references.*
